Introducing our new front load washer range

At Simpson, we strive to give our customers a better experience so they can get out of the laundry and back into life. With our new range of Simpson front load washers, we've turned what was once a chore into more of a pleasure with easier, faster and more advanced features.

And thanks to Simpson's renowned durability, reliability and efficiency, you'll benefit from our 150 years of experience in providing Australians with some of the most economical and hard-working appliances around. Simpson's new range of top load washers is also available.

Designed to make your life easier

The Simpson Front Load washer range offers a host of clever features for a quicker, more efficient washing experience. When you're in a hurry, the Fast Wash program gives you amazing results in just 30 minutes, while the Time Save wash option will have your clothes washed and ready when you are.

The XXL drum opening with its easy-reach door handle makes loading and unloading a breeze, especially when washing those bulky items. And the durable yet incredibly efficient, Inverter Motor saves energy too. Add in other

smart features like the Tub Clean program and the easy-clean full touch control panel and you've got the perfect washing machine for busy families.
